Re: Emergency Closure of Schools or Cancellation of Bus Service Procedures

Dear Parents/Guardians:

In accordance with [Board Policy 20](#) and [Administrative Procedure AP5501](#), the following procedures will be followed if/when an emergency closure of a school and/or cancellation of bus service occurs. Please check the Late Bus App-"Bus Status" (Available to download at Apple [store](#) and [Google play](#)) to ensure you are accessing the latest information about service and service interruptions.

1. When schools remains open, it is your responsibility as a parent/guardian to determine if it is safe for your child go to school in/under severe weather conditions or warnings. This is consistent with parental choice and responsibility as outlined in the Education Act.
2. It is your responsibility as a parent/guardian to make provisions for your child(ren) should school be closed.
 - a. If closure procedures are initiated due to weather the school division will provide as much notice as possible. Once school begins for the day, school will not be closed because of weather conditions until regular dismissal time. Should it be deemed unsafe to dismiss students at the usual time, students may be kept at the school until it is deemed safe to depart or until alternate arrangements have been made.
 - b. There is a possibility that schools may be closed during the day because of power failures, heating, or plumbing or other plant emergency. Every effort will be made to keep the students at the school; however, if circumstances warrant, students will be transferred to an alternate pre-planned location close by the school until the scheduled dismissal time.
3. Decisions to close school because of inclement weather or other emergencies will be emailed to families, announced on local radio stations, and posted on the Rocky View Schools' website, your school website, Facebook and Twitter. Information will also be available on RVS' Late Bus App – "Bus Status".

Re: Emergency Closure of Schools or Cancellation of Bus Service Procedures

4. In the event that school is open but it is not possible for the bus to drive the bus route, you will have the option of transporting your child(ren) to school. In this case you must also pick up your child(ren) at the end of the school day.
5. Drivers may also alter or delay their bus routes in response to weather conditions. If bus routes are delayed by more than 1 hour, or if route has been revised, you will be contacted by their bus driver. Any bus route delays more than 10 minutes and less than 1 hour will be updated on the Late **Bus App** ("Bus Status").

In the event of an emergency evacuation during inclement weather and it is deemed unsafe to remain at the school, staff and students would evacuate to the Kathryn Community Association and wait for transportation to the Keoma Hall.

Thank you for your support. Please contact me directly at 403.935.4291

Yours Truly,

Ms. Ruzicka

IMPORTANT PHRASES WHEN YOUR CHILD IS STRUGGLING

When you experience setbacks, remember that it takes both rain and sunshine to make a rainbow.

This is tough. You should be so proud of yourself for sticking with it.

You have no control over how people act toward you. But you have all control over how you respond.

We don't grow when things are easy. We grow when we face challenges.

I've seen you do hard things before — and I believe you can do this, too.

Being on top of the mountain is fun, but we grow in the valleys.

Your comfort zone may be a safe place but you'll never find adventure there!

You're not making a mistake, you're learning.
