Dear Kodiak Families,

Staff were excited to welcome our students and there was a lot of energy in our building today as students were acquainted with their teachers and peers.

The weather is nice outside, we do ask that every student bring a pair of indoor shoes that can be used in our gym. To ensure safety in the gym, all students need running shoes. Please write your students' name in their shoes, other supplies and clothing that they will have, this allows easy return of property to the correct owners.

If you are picking up your child from school, please call ahead of the pick-up time and we will have your child ready at the office.

School Entry and Exit

Bus Arrival

When students are getting off the bus, they will be greeted by a staff member. Kindergarten students will be greeted at the basketball courts and off each of the buses. Grade 1-5 students will be greeted, they will line up by their class and will enter the building through the south doors. Students in grades 6, 7 and 8 will be greeted, line up by their class and will enter the building through the north doors.

Drop off

If you are dropping off your student in the morning, please park in the north parking lot and have your student walk through the basketball courts to ensure student safety.

If you are dropping off your student after the beginning of the school day, please have your student go through the main doors and sign in at the office.

Pick Up

At the end of the day, please pick up your student from the basketball courts. This ensures that students are not walking through the parking lot.

If you are picking up your student before the end of the day, you can phone the office and we can have your student ready at the office.

Nut aware

We are a nut aware school, please remember to send nut-free snacks and lunches.
